This Month's Theme for our Nine Month Novena

Guided and Protected

Both the Old Testament Joseph and St. Joseph opened their minds and hearts to receive God's Guidance and Protection. The Old Testament Joseph, although he was sold as a slave by his own brothers, was spared his life and became an instrument to save the lives of many. St. Joseph, in his role as Protector, gathered Jesus and Mary and fled into Egypt after he received a warning that the Child's life was in danger.

We, too, guided and protected by our loving God, are called to be Guides and Protectors for one another. Who has acted as a Guide and Protector in your life?
